

The most important Covid-information for you in a nutshell:

For your visit you need 3G:

- For your visit **all guests who are not vaccinated** need a negative corona rapid test (not older than 24 hours)
- **Exceptions:**
 - > Vaccinated persons
(presentation of vaccination certificate / complete vaccination before at least 14 days)
 - > Children up to 17 years of age, who go to school don't need a test or certificate
(does not apply during school holidays)
 - > Recovered people (Submission of PCR test certificate / at least 28 days
and max. 3 months ago)
- It is compulsory to wear a FFP2 mask in the entire hotel and restaurant area

PS: Are you not able to visit a Test center, it is also allowed to bring your own antigen rapid test with you and do it in front of us. We have also antigen rapid test for a small fee.
